1. Inspection Body Classifications (Type A, B or C)

- i. Type A- An inspection body providing third party inspections
- ii. Type B- An inspection body providing first party inspections, second party inspections, or both, which forms a separate and identifiable part of an organization involved in the design, manufacture, supply, installation, use or maintenance of the items it inspects and which supplies inspection services only to its parent organization (in-house inspection body)
- iii. Type C- An inspection body providing first party inspections, second party inspections, or both, which forms an identifiable but not necessarily a separate part of an organization involved in the design, manufacture, supply, installation, use or maintenance of the items it inspects and which supplies inspection services to its parent organization or to other parties, or to both.

2. This location is linked to 1404 Lake Plaza Drive Suite 200-116, Spring, TX 77389 due to a share quality management system.
